with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 23^d MARCH, 1840.

The following Draft of a proposed Act was read in Council for the first time on the 23rd March 1840.

ACT No. — OF 1840.

An Act for the amendment of the Law regarding Factors, by extending to the territories of the East India Company, in cases governed by English law, the provisions of the Statute 4 Geo. 4 Ch. 83 as altered and amended by the Statute 6 Geo. IV. Ch. 94.

It is hereby enacted, that the Statute of the 4 Geo. IV. Cap. 83 as altered and amended by the Statute of 6 Geo. IV. Ch. 94, shall be extended to the territories of the East India Company; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statutes if this Act had not passed; or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statutes hereby extended to the Territories of the East India Company are as follows.

4 GEO. 4. CAP. 83.

An Act for the better protection of the property of Merchants and others, who may hereafter enter into contracts or agreements in relation to Goods, Wares, or Merchandizes, intrusted to Factors or Agents. (18th July, 1823.)

"Whereas it has been found that the Law, as it now stands, relating to Goods shipped in the names of persons who are not the actual Proprietors thereof, and to the deposit or pledge of Goods, affords great facility to fraud, produces frequent litigation, and proves, in its effects, highly injurious to the interests of Commerce in general;" Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, that from and after the passing of this

Persons, in whose names Goods shall be shipped, shall be deemed the Owners, so as to entitle Consignees to a lien thereon as herein mentioned.

Act, any person or persons intrusted, for the purpose of sale, with any Goods, Wares, or Merchandize, and by whom such Goods, Wares, or Merchandize shall be shipped, in his, her or their own name or names, or in whose name or names any Goods, Wares, or Merchandize shall be shipped by other person or persons, shall be deemed and taken to be the true Owner or Owners thereof, so far as to entitle the Consignee or Consignees of such Goods, Wares, and Merchandize to a lien thereon, in respect of any money or negotiable security or securities advanced or given by such Consignee or Consignees to or for the use of the person or persons in whose name or names such Goods, Wares, or Merchandize shall be shipped, or in respect of any money or negotiable security or securities received by him, her or them to the use of such

Consignee or Consignees, in the like manner to all intents and purposes as if such person or persons was or were the true owner or owners of such Goods, Wares and Merchandize; provided such Consignee or Consignees shall not have notice, by the Bill of Lading for the delivery of such Goods, Wares or Merchandize or otherwise, at or before the time of any advance of such money or negotiable security, or of such receipt of money or negotiable security in respect of which such lien is claimed, that such person or persons so shipping in his, her or their own name or names, or in whose name or names any Goods, Wares or Merchandize shall be shipped by any person or persons, is or are not the actual and bona fide owner or Owners, Proprietor or Proprietors of such Goods, Wares and Merchandize so shipped as aforesaid, any law, usage or custom to the contrary thereof in any wise notwithstanding: Provided also, that the person or persons in whose name or names any such Goods, Wares or Merchandize are so shipped as aforesaid, shall be taken for the purposes of this Act to have been intrusted therewith, unless the contrary thereof shall appear or be shewn in evidence by any person disputing such fact.

II. And be it further enacted, that it shall be lawful to and for any person or persons, body or bodies, politic or corporate, to accept and take any Goods, Wares or Merchandize, or the Bill or

Bills of Lading for the delivery thereof, in deposit or pledge from any Consignee or Consignees thereof; but then and in that case such person or persons body or bodies, politic or corporate shall acquire no further or other right, title or interest, in or upon or to the said Goods, Wares or Merchandize, or any Bill of Lading for the delivery thereof than was possessed, or could or might have been enforced by the said Consignee or Consignees at the time of such deposit or pledge as a security as aforesaid: but such person or persons, body or bodies, politic or corporate, shall and may acquire, possess and enforce such right, title, or interest, as was possessed and might have been enforced, by such Consignee or Consignees at the time of such deposit or pledge as aforesaid, any rule of law, usage or custom to the contrary notwithstanding.

III. Provided always, that nothing herein contained shall be deemed, construed, or taken to deprive or prevent the true owner or owners, proprietor or proprietors of such Goods, Wares or Merchandize, from demanding and recovering the same from his, her, or their Factor or Factors, Agent or Agents, before the same shall have been so deposited or pledged or from the Assignee or Assignees of such Factor or

Right of Owner to follow his Goods while in the hands of his Agent or of his Assignees in case of Bankruptcy, or to recover them from Assignees, &c. upon paying his advances secured upon them, &c.

Factors, Agent or Agents, in the event of his, her, or their Bankruptcy; nor to prevent any such owner or owners, proprietor or proprietors, from demanding or recovering of, and from any person or persons, or of or from the Assignees of any person or persons in case of his or her Bankruptcy, or of or from any body or bodies, politic or corporate, such Goods, Wares, or Merchandize so consigned, deposited, or pledged, upon repayment of the money or on restoration of the negotiable security or securities, or on payment of a sum of money equal to the amount of such security or securities, for which money or negotiable security or securities such person or persons, his, her, or their Assignee or Assignees, or such body or bodies, politic or corporate, may be entitled to any lien upon such Goods, Wares, or Merchandize, nor to prevent the said owner or owners, proprietor or proprietors, from recovering of and from such person or persons, body or bodies, politic or corporate, any balance or sum of money remaining in his, her, or their hands, as the produce of the sale of such Goods, Wares, or Merchandize, after deducting thereout the amount of the money or negotiable security or securities so advanced or given upon the security thereof as aforesaid. Provided always, that in case of the Bankruptcy of such Factor or Agent, the owner of the Goods so pledged and redeemed as aforesaid, shall be held to have discharged *pro tanto* the debt due by him to the Bankrupt's estate.

Proviso as to Bankruptcy of Factor.

6TH GEO. IV. CAP. 94.

that the person or persons in whose name or names any such Goods, Wares, or Merchandize are so shipped as aforesaid, shall be taken, for the purpose of this Act, to have been intrusted therewith for the purpose of consignment or of sale, unless the contrary thereof shall be made to appear by bill of discovery or otherwise, or be made to appear, or be shown in evidence by any person disputing such fact.

II. And be it further enacted, that from and after the First day of October one thousand eight hundred and twenty-six,

FORT WILLIAM, 25th March, 1840.

No. 69 of 1840.—Inconvenience having been found to result from the operation of General Orders now in force on the subject of credit to be allowed to the Native Troops in the Sudder and Regimental Bazars, and it appearing desirable that both these descriptions of Bazars should be placed on the same footing in this respect; the Right Honorable the Governor General in Council is pleased to direct, that it shall be the particular duty of Officers Commanding Corps and Stations, to call upon the Chowdries of Regimental and Sudder Bazars for a monthly or more frequent report of the state of the Bazars,—to use their influence to prevent any just dues being withheld from the Bunneas, or others, whenever demanded; and to prevent any credit being given to Officers, the Servants of Officers, or Troops, except on the condition of their accounts being settled and paid on the issue of Pay for the month or months in which any Debts shall have been contracted. All such credit is to be strictly confined to the supply of a daily ration of food per man when necessary, and of grain for Officer's Cattle.

In the execution of the duty hereby imposed, Commanding Officers will be careful to avoid any act inconsistent with the Rules contained in Regulation

Medical Adviser,
H. H. GOODEVE, Esq., M. D.

The Directors of the Indian Laudable and Mutual Assurance Society venture confidently to invite public attention to the principles of the Institution, and to the present state of its Funds.

For the first, it is strictly a MUTUAL ASSURANCE SOCIETY, in which all profits are rateably divided among the Assurers themselves, thereby reducing the amount premium to the lowest possible rate.

For the second, the Society on the 28th ultimo, stood as follows:—

Outstanding Risks on 304 lives, ... Co.'s Rs. 35,74,000

ASSETS—Actual Funds.

Premium Fund,	Co.'s Rs. 2,48,333
Guarantee Fund,	" 3,18,111

Co.'s Rs. 5,61,444

or equal to 15½ per Cent. on the Outstanding Risks.

Parties entering this Society attain at once a Proprietary interest in the Premium Fund and in the interest of the Guarantee Fund, of precisely the same character as the oldest Assurer.

They become immediately entitled to their Share of the Profits, which accumulates to their personal credit in the Guarantee Fund, until it amounts to 10 per Cent. on the amount individually assured, after which it becomes available for reduction of the amount Premium. The amount thus accumulated individually in the Guarantee Fund, is payable in the event of lapse immediately on due proof of lapse, together with the amount assured, an arrangement which, while it adds to the security of the Society, effects the assurance at the lowest possible rate. In the event of withdrawal from the Society whether assured for life or consequent on being assured for a term only, the amount is payable to the retiring Assurer, minus 25 per Cent. to be carried to the Premium Fund;—Thus a party assuring though only for one year and even retiring at the close of the first half year, is entitled to receive 3-4ths of the profits accruing to him—an advantage to parties assuring for short periods accorded by no other Office.

So that a party of the age of 25—assuring his life for one year for 2000 Rs., would pay 60 Rs., and at the expiration of the year, if the Profits amount to 20 per Cent. on the total premium paid during the year his portion would be 12 Rs., of which Rs. 9 would be returned to him, thus reducing the amount premium paid to 51 Rs., and in all other cases in the same proportion.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 23RD MARCH, 1840.

The following Draft of a proposed Act was read in Council for the first time on the 23d March, 1840.

ACT No. — OF 1840.

An Act for rendering a written Memorandum necessary to the validity of certain promises and engagements by extending to the Territories of the East India Company, in cases governed by English Law the Provisions of the Statute 9, Geo. IV. Ch. XIV.

It is hereby enacted, that the Statute 9, Geo. IV. Ch. XIV. shall be extended to the Territories of the East India Company; provided always that this Act shall not be construed to affect any case, which, would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed; or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statute hereby extended to the Territories of the East India Company is as follows (the sum of £10 mentioned therein to be deemed 100 Rupees in the application of the Statute to the aforesaid Territories.)

9th GEO. IV. CAP. XIV.

An Act for rendering a written Memorandum necessary to the validity of certain Promises and Engagements.

9th May, 1828.

Whereas by an Act English Act 21, Jas. I passed in England in the twenty-first year of the

Reign of King James the First, it was among other things, enacted, that all actions of account and upon the case, other than such

accounts as concern the trade of merchandize between Merchant and Merchant, their Factors or Servants, all actions of debt grounded upon any lending or contract without specialty, and all actions of debt for arrearages of rent, should be commenced within three years after the end of the then present Session of Parliament, or within six years next after the cause of such actions or suit, and not after. And whereas a similar Enactment is contained in an Act passed in

Irish Act 10, Car. 1, Sess. 2, C. 6.

Ireland in the tenth year of the reign of King Charles the First, and whereas various questions have arisen in actions founded on simple contract, as to the proof and effect of acknowledgments and promises offered in evidence for the purpose of taking cases out of the operation of the said Enactments; and it is expedient to prevent such questions and to make provision for giving effect to the said Enactments and to the intention thereof. Be it therefore enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority

of the same. That in actions of debt or upon the case grounded upon any simple contract no acknowledgment or promise by words only shall be deemed sufficient evidence of a new or continuing contract, whereby to take any case out of the operation of the said Enactments, or either of them, or to deprive any party of the benefit thereof, unless such acknowledgment or promise shall be made or contained by or in some writing to be signed by the party chargeable thereby, and that where there shall be two or more Joint

contractors, or Executors or Administrators of any contractor no such joint contractor, Executor, or Administrator shall lose the benefit of the said Enactments, or either of them, so as to be chargeable in respect or by reason only by any written acknowledgment or promise made and signed by any other or others of them. Provided always, that nothing herein contained shall alter or take away or lessen the effect of any payment of any principal or interest made by any person whatsoever.

Joint Contractors. Provided also, that in actions to be commenced against two or more such Joint Contractors, or Executors or Administrators, if it shall appear at the trial or otherwise that the Plaintiff, though barred by either of the said recited Acts or this Act, as to one or more of such Joint Contractors, or Executors or Administrators, shall nevertheless be entitled to recover against any other or others of the Defendants, by virtue of a new acknowledgment or promise, or otherwise, judgment may be given and costs allowed for the Plaintiff as to

*Proviso for the case of Joint Contractors.

such Defendant or Defendants against whom he shall recover, and for the other Defendant or Defendants against the Plaintiff.

II. And be it further enacted, that if any Defendant or Defendants in any action on any simple contract shall plead any matter in abatement, to the effect that any other person or persons ought to be jointly sued and issue be joined on such Plea, and it shall appear at the trial that the action could not, by reason of the said recited Acts, or this act, or of either of them, be maintained against the other person or persons named in such plea, or any of them, the issue joined on such plea shall be found against the party pleading the same.

III. And be it further enacted, that no indorsement or Memorandum of any payment written or made after the time appointed for this Act to take effect, upon any Promissory Note, Bill of Exchange, or other writing by or on the behalf of the party to whom such payment shall be made, shall be deemed sufficient proof of such payment so as to take the case out of the operation of either of the said Statutes.

IV. And be it further enacted, that the said recited Acts and this Act shall be deemed and taken to apply to the case of any debt on simple contract alleged by way of set off on the part of any Defendant, either by plea, notice, or otherwise.

V. And be it further enacted, that by no action shall be maintained whereby to charge any person upon any promise made after full age to pay any debt contracted during infancy, or upon any ratification after full age of any promise or simple contract made during infancy, unless such promise or ratification shall be made by some writing signed by the party to be charged therewith.

VI. And be it further enacted, that no action shall be brought whereby to charge any person upon or by reason of any representation or assurance made or given, concerning or relating to the character, conduct, credit, ability, trade or dealings of any other person, to the intent or purpose that such other person may obtain credit, money, or goods upon, unless such representation or assurance be made in writing, signed by the party to be charged therewith.

VII. And whereas by an Act passed in England in the twenty-ninth year of the reign of King Charles the Second, intitled An Act for the prevention of Frauds and Perjuries, it is, among other things enacted, that from and after the twenty-fourth day of June one thousand six hundred and seventy-seven, no contract for the sale of any goods, wares and merchandizes, for the price of ten pounds sterling or upwards, shall be allowed to be good except the buyer shall accept part of the goods so sold, and actually receive the same, or give something in earnest to bind the bargain, or in part of payment; or that some note or memorandum in writing of the said bargain be made and signed by the parties to be charged by such contract, or their Agents thereunto lawfully authorized. And whereas a similar Enactment is contained in an Act passed in Ireland in the seventh year of the reign of King William the Third. And whereas it has been held that the said recited Enactments do not extend to certain executory contracts for the sale of goods, which nevertheless are within the mischief thereby intended to be remedied; and it is expedient to extend the said Enactments to such executory contracts; be it enacted, that the said Enactments shall extend to all contracts for the sale of goods of the value of ten pounds sterling and upwards, notwithstanding the goods may be intended to be delivered at some future time, or may not at the time of such contract be actually made, procured or provided, or fit or ready for delivery, or some Act may be requisite for the making or completing thereof, or rendering the same fit for delivery.

Irish Act 7. W. 3. C. 12.

Powers of recited Acts extended to Contracts for Goods of 10£ or upwards although the delivery be not made.

upwards, notwithstanding the goods may be intended to be delivered at some future time, or may not at the time of such contract be actually made, procured or provided, or fit or ready for delivery, or some Act may be requisite for the making or completing thereof, or rendering the same fit for delivery.

VIII. And be it further enacted, that no memorandum or other writing made necessary by this Act shall be deemed to be an agreement within the meaning of any Statute relating to the duties of Stamps.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 23d day of June next.

THE 23D MARCH, 1840.

The following Draft of a proposed Act was read in Council for the first time on the 23rd March 1840.

ACT No. — or 1840.

An Act for the amendment of the Law regarding Factors, by extending to the territories of the East India Company, in cases governed by English law, the provisions of the Statute 4 Geo. 4 Ch. 83 as altered and amended by the Statute 6 Geo. IV. Ch. 94.

It is hereby enacted, that the Statute of the 4 Geo. IV Cap. 83 as altered and amended by the Statute of 6 Geo. IV. Ch. 94, shall be extended to the territories of the East India Company; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statutes if this Act had not passed; or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statutes hereby extended to the Territories of the East India Company are as follows.

4 GEO. 4. CAP. 83.

An Act for the better protection of the property of Merchants and others, who may hereafter enter into contracts or agreements in relation to Goods, Wares, or Merchandizes, intrusted to Factors or Agents. (18th July, 1823.)

"Whereas it has been found that the Law, as it now stands, relating to Goods shipped in the names of persons who are not the actual Proprietors thereof, and to the deposit or pledge of Goods, affords great facility to fraud, produces frequent litigation, and proves, in its effects, highly injurious to the interests of Commerce in general;" Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, that from and after the passing of this

Any person may take Goods or Bill of Lading in deposit from Consignee but shall not acquire any further right than Consignee possessed.

II. And be it further enacted, that it shall be lawful to and for any person or persons, body or bodies, politic or corporate, to accept and take any Goods, Wares or Merchandize, or the Bill or Bills of Lading for the delivery thereof, in deposit or pledge from any Consignee or Consignees thereof; but then and in that case such person or persons body or bodies, politic or corporate shall acquire no further or other right, title or interest, in or upon or to the said Goods, Wares or Merchandize, or any Bill of Lading for the delivery thereof than was possessed, or could or might have been enforced by the said Consignee or Consignees at the time of such deposit or pledge as a security as aforesaid: but such person or persons, body or bodies, politic or corporate, shall and may acquire, possess and enforce such right, title, or interest, as was possessed and might have been enforced; by such Consignee or Consignees at the time of such deposit or pledge as aforesaid, any rule of law, usage or custom to the contrary notwithstanding.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the Pres-
ident in Council, from and after the 15th of the
ensuing month of January, there will be a second despatch,
daily, from Calcutta to Khamrah, six stages in advance of
Berhampore; as, also, a second daily despatch thence to
Calcutta. The ordinary Mail, from Calcutta, as at present,
will go out at 8 P. M. The other daily despatch will be
sent off at noon.

Barrackpore	Jelianagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great encrease of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11 1/2 A. M.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,
CHARING CROSS.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittently directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, AINSLIE, COWIE & Co., Calcutta.
Messrs. BINNY & Co. Madras.
Messrs. LECKIE & Co. Bombay.

The Postages, with the Annual Subscription, are charged periodically in account with the Subscriber, payable either in England or India; or in many cases a remittance in advance is made to cover the probable estimated amount during the year.

9TH GEO. IV. CAP. XIV.

An Act for rendering a written Memorandum necessary to the validity of certain Promises and Engagements.

9th May, 1828.

Whereas by an Act passed in England in the twenty-first year of the Reign of King James the First, it was among other things, enacted, that all actions of account and upon the case, other than such

accounts as concern the trade of merchandize between Merchant and Merchant, their Factors or Servants, all actions of debt grounded upon any lending or contract without specialty, and all actions of debt for arrearages of rent, should be commenced within three years after the end of the then present Session of Parliament, or within six years next after the cause of such actions or suit, and not after. And whereas a similar Enactment is contained in an Act passed in Ireland in the tenth year

Irish Act 10, Cur. 1, Sess. 2, C. 6.

of the reign of King Charles the First, and whereas various questions have arisen in actions founded on simple contract, as to the proof and effect of acknowledgments and promises offered in evidence for the purpose of taking cases out of the operation of the said Enactments; and it is expedient to prevent such questions and to make provision for giving effect to the said Enactments and to the intention thereof. Be it therefore enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same. That in actions of debt or upon the case grounded upon any simple contract no acknowledgment or promise by words only shall be deemed sufficient evidence of a new or continuing contract, whereby to take any case out of the operation of the said Enactments, or either of them, or to deprive any party of the benefit thereof, unless such acknowledgment or promise shall be made or contained by or in some writing to be signed by the party chargeable thereby, and that where there shall be two or more Joint

such Defendant or Defendants against whom he shall recover, and for the other Defendant or Defendants against the Plaintiff.

Pleas in Abatement. II. And be it further enacted, that if any Defendant or Defendants in any action on any simple contract shall plead any matter in abatement, to the effect that any other person or persons ought to be jointly sued and issue be joined on such Plea, and it shall appear at the trial that the action could not, by reason of the said recited Acts, or this act, or of either of them, be maintained against the other person or persons named in such plea, or any of them, the issue joined on such plea shall be found against the party pleading the same.

Indorsements of Payment. III. And be it further enacted, that no indorsement or Memorandum of any payment written or made after the time appointed for this Act to take effect, upon any Promissory Note, Bill of Exchange, or other writing by or on the behalf of the party to whom such payment shall be made, shall be deemed sufficient proof of such payment so as to take the case out of the operation of either of the said Statutes.

Simple Contract debts alleged by way of set off. IV. And be it further enacted, that the said recited Acts and this Act shall be deemed and taken to apply to the case of any debt on simple contract alleged by way of set off on the part of any Defendant, either by plea, notice, or otherwise.

And be it further enacted, that by no action shall be maintained whereby to charge any person upon any promise made after full age to pay any debt contracted during infancy, or upon any ratification after full age of any promise or simple contract made during infancy, unless such promise or ratification shall be made by some writing signed by the party to be charged therewith.

Any person may take Goods or Bill of Lading in deposit from Consignee but shall not acquire any further right than Consignee possessed.

BENGAL CIVIL SERVICE ANNUITY FUND.

We the undersigned Subscribers to the Bengal Civil Service Annuity Fund request, under Article 25 of the Rules of the Institution, that the Managers will convene a Special General Meeting of Subscribers to the Fund to be held at the Town Hall at 11 A. M., on Tuesday the 21st of April, for the purpose of taking into consideration the following proposed Resolution.

PROPOSED RESOLUTION.

That whereas the operation of the additional Rules Articles 35 and 36 passed on the 11th of July 1836, whereby two-thirds of the value of Annuities of any year remaining on the 1st of May untaken at half premium is available for granting a reduced number of Annuities at quarter premium, with a refund of excess Subscriptions will not expire on the 30th of April, 1840, if the sanction of the Honourable Court for the continuance of the same be received before the 1st of May 1840; but nevertheless, under Article 38 of the additional Rules passed on the said 11th of July 1836, it is "competent to a majority of the Subscribers in India, whenever they shall be satisfied that the number of annual Retirements from the service is such as to require that all the Annuities of each year should be reserved to meet the applications of candidates in future years, to suspend the operation of the above Rules. (viz. Articles 35 and 36) by a Resolution to that effect duly passed at a general meeting;

And whereas, on the 7th of April 1838, the Subscribers to the Fund memorialised the Hon'ble Court praying that they would "permit the fund to grant Annuities not exceeding nine in number to the extent of the annual fixed income of the Fund from Subscriptions, (your) Honourable Court's donation, and interest on the fixed capital, under the condition of requiring retiring servants to make good to the extent of a quarter of the value of their Annuities receiving no refund of any excess of the amount of their Subscriptions, in case these should at the time of retirement, with interest, exceed the quarter value of the Annuity taken;" to which memorial no answer has yet been received;

And whereas the present circumstances of the service require the full complement of nine Annuities to be annually taken, and the attainment of that object is materially impeded by the present uncertainty as to the terms on which Annuities will be temporarily available;

And whereas the system of giving refunds of excess subscriptions with interest, is directly opposed to the objects of the institution, by inducing qualified Subscribers to postpone the period of retirement, and by reducing very materially the number of Annuities available;

Resolved, first, that the operation of the above Rules, Articles 35 and 36, shall cease from the 1st of May 1840.

Secondly, that the Subscribers will accede to any proposal that the Honourable Court may be pleased to approve, with reference to the Memorial of the 7th of April 1838, for the grant of Annuities in terms more favorable than half premium, provided that the full number of nine Annuities prayed for in the said Memorial be thereby available, and provided further that the system of Refunds be thereby discontinued.

Thirdly, that the present circumstances of the service are such as to render it unadvisable for the Subscribers to alter the original Rules of the Fund in any manner which shall not provide for the two points mentioned in the foregoing Resolution.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 P. M. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

BENGAL CIVIL SERVICE ANNUITY FUND.

We the undersigned Subscribers to the Bengal Civil Service Annuity Fund request, under Article 25 of the Rules of the Institution, that the Managers will convene a Special General Meeting of Subscribers to the Fund to be held at the Town Hall at 11 A. M. on Tuesday the 21st of April, for the purpose of taking into consideration the following proposed Resolution.

PROPOSED RESOLUTION.

That whereas the operation of the additional Rules Articles 35 and 36 passed on the 11th of July 1836, whereby two-thirds of the value of Annuities of any year remaining on the 1st of May untaken at half premium is available for granting a reduced number of Annuities at quarter premium, with a refund of excess Subscriptions will not expire on the 30th of April, 1840, if the sanction of the Honourable Court for the continuance of the same be received before the 1st of May 1840; but nevertheless, under Article 38 of the additional Rules passed on the said 11th of July 1836, it is "competent to a majority of the Subscribers in India, whenever they shall be satisfied that the number of annual Retirements from the service is such as to require that all the Annuities of each year should be reserved to meet the applications of candidates in future years, to suspend the operation of the above Rules. (viz. Articles 35 and 36) by a Resolution to that effect duly passed at a general meeting;

And whereas, on the 7th of April 1838, the Subscribers to the Fund memorialised the Hon'ble Court praying that they would "permit the fund to grant Annuities not exceeding nine in number to the extent of the annual fixed income of the Fund from Subscriptions, (your) Honorable Court's donation, and interest on the fixed capital, under the condition of requiring retiring servants to make good to the extent of a quarter of the value of their Annuities receiving no refund of any excess of the amount of their Subscriptions, in case these should at the time of retirement, with interest, exceed the quarter value of the Annuity taken;" to which memorial no answer has yet been received;

And whereas the present circumstances of the service require the full complement of nine Annuities to be annually taken, and the attainment of that object is materially impeded by the present uncertainty as to the terms on which Annuities will be temporarily available;

And whereas the system of giving refunds of excess subscriptions with interest, is directly opposed to the objects of the institution, by inducing qualified Subscribers to postpone the period of retirement, and by reducing very materially the number of Annuities available;

Resolved, first, that the operation of the above Rules, Articles 35 and 36, shall cease from the 1st of May 1840.

Secondly, that the Subscribers will accede to any proposal that the Honorable Court may be pleased to approve, with reference to the Memorial of the 7th of April 1838, for the grant of Annuities in terms more favorable than half premium, provided that the full number of nine Annuities prayed for in the said Memorial be thereby available, and provided further that the system of Refunds be thereby discontinued.

Thirdly, that the present circumstances of the service are such as to render it unadvisable for the Subscribers to alter the original Rules of the Fund in any manner which shall not provide for the two points mentioned in the foregoing Resolution.

ADVERTISEMENT

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan school, whenever such may fall under his notice or be made the subject of representation.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates percent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p. m. The other daily despatch will be sent off at noon.

Barrackpore } Jehanagore }
Serampore } Patoolce } will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail.

Noiserai } Berhampore }
Digraha } Jeagunge }
Santipore } Bogowangolah }
Nudda } Jungypore }
Calnah } Khamrah }
The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

BENGAL CIVIL SERVICE ANNUITY FUND.

We the undersigned Subscribers to the Bengal Civil Service Annuity Fund request, under Article 25 of the Rules of the Institution, that the Managers will convene a Special General Meeting of Subscribers to the Fund to be held at the Town Hall at 11 A. M., on Tuesday the 21st of April, for the purpose of taking into consideration the following proposed Resolution.

PROPOSED RESOLUTION.

That whereas the operation of the additional Rules Articles 35 and 36 passed on the 11th of July 1836, whereby two-thirds of the value of Annuities of any year remaining on the 1st of May untaken at half premium is available for granting a reduced number of Annuities at quarter premium, with a refund of excess Subscriptions will not expire on the 30th of April, 1840, if the sanction of the Honourable Court for the continuance of the same be received before the 1st of May 1840; but nevertheless, under Article 38 of the additional Rules passed on the said 11th of July 1836, it is "competent to a majority of the Subscribers in India, whenever they shall be satisfied that the number of annual Retirements from the service is such as to require that all the Annuities of each year should be reserved to meet the applications of candidates in future years, to suspend the operation of the above Rules, (viz. Articles 35 and 36) by a Resolution to that effect duly passed at a general meeting;

And whereas, on the 7th of April 1838, the Subscribers to the Fund memorialised the Hon'ble Court praying that they would "permit the fund to grant Annuities not exceeding nine in number to the extent of the annual fixed income of the Fund from Subscriptions, (your) Honorable Court's donation, and interest on the fixed capital, under the condition of requiring retiring servants to make good to the extent of a quarter of the value of their Annuities receiving no refund of any excess of the amount of their Subscriptions, in case these should at the time of retirement, with interest, exceed the quarter value of the Annuity taken;" to which memorial no answer has yet been received;

And whereas the present circumstances of the service require the full complement of nine Annuities to be annually taken, and the attainment of that object is materially impeded by the present uncertainty as to the terms on which Annuities will be temporarily available;

And whereas the system of giving refunds of excess subscriptions with interest, is directly opposed to the objects of the institution, by inducing qualified Subscribers to postpone the period of retirement, and by reducing very materially the number of Annuities available;

Resolved, first, that the operation of the above Rules, Articles 35 and 36, shall cease from the 1st of May 1840.

Secondly, that the Subscribers will accede to any proposal that the Honorable Court may be pleased to approve, with reference to the Memorial of the 7th of April 1838, for the grant of Annuities in terms more favorable than half premium, provided that the full number of nine Annuities prayed for in the said Memorial be thereby available, and provided further that the system of Refunds be thereby discontinued.

Thirdly, that the present circumstances of the service are such as to render it inadvisable for the Subscribers to alter the original Rules of the Fund in any manner which shall not provide for the two points mentioned in the foregoing Resolution.

FOR
MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Ditto.....
Ditto.....	Ditto.....
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued, on the Company, on the one hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p. m. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	} The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,
CHARING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means

have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, AINSLIE, COWIE & Co., Calcutta.
Messrs. BINNY & Co. Madras.

WEDNESDAY, APRIL 22, 1840.

CIVIL SERVICE ANNUITY FUND.

A Special General Meeting was held at the Town Hall, this day, the 21st April, 1840, under Rule 25, to consider the Resolutions proposed by the Requisitionists who signed the Advertisement officially notified under date the 7th of March last and subsequent dates.

PRESENT—

Messrs. R. H. Rattray, C. Davidson, J. H. Patton, D. C. Smyth, C. Tucker, H. M. Parker, J. P. Grant, J. Curtis, J. G. B. Lawrell, J. S. Torrens, T. C. Loch, J. Pattle, G. A. Bushby, T. R. Davidson, H. Moore, T. P. Biscoe, T. Taylor, J. F. Hawkins, F. J. Halliday, J. Millet, J. H. Young, J. Lewis, Richard Walker, J. F. M. Reid and H. V. Bayley.

Mr. Rattray was unanimously called to the Chair.

The Chairman read the Requisition and Resolutions above referred to.

Mr. H. M. Parker moved that the above Resolutions be adopted.

Mr. Grant seconded this motion.

Mr. Bushby moved as an Amendment—

“That a Memorial be prepared for the consideration of the Subscribers to the Civil Service Annuity Fund, and after adoption by them be submitted to the Hon'ble the Court of Directors, setting forth the confidence which the Subscribers repose in the liberality and the wisdom of the Regulations which the Hon'ble Court will enact with reference to the Memorial of the Subscribers to the Hon'ble Court dated the 7th April 1838.

That the Subscribers think it probable from their not having received any reply to that Memorial, that besides the specific solicitations contained in it, the question as to the number to be allowed of annual retirements from the Service may be under the consideration of the Hon'ble Court, and that the decision of the Hon'ble Court on this point will be regulated by the policy and intentions of the Authorities in England as to the permanent complement of Civil Servants which shall be deemed adequate for this Establishment. If less than the number of Servants on which the original Scheme of the Fund was based, then the Hon'ble Court will proportionately diminish the number of annual retirements. If more they will be proportionately increased.

These being matters for the cognizance and judgment of the Home Authorities it would be premature in the Subscribers at this moment to suggest that any fixed number of retirements shall be prescribed per year.

But the Subscribers beg permission to express their belief that the present number of six per annum is not sufficient to meet the growing demands of the Service or the purposes of the Institution.

Looking to the financial condition of the Fund they repeat their humble opinion that the resources are ample for the grant of a number of Annuities to the limit of nine per annum.

In modification of their former Memorial the Subscribers would suggest that on the subject of refund of excess contribution, which question they will also confidently leave to the superior wisdom of the Honorable Court, the amount of the excess retained should be fixed on the principle of making this extra charge a sufficient penalty for not retiring at the time when an Annuity shall be available to the party, and that it shall be fixed on a moderate scale adequate to that object, and to go beyond such object.

The Subscribers are of opinion that if it shall please the Honorable Court to extend the Boon of quarter-valuation-payment to permanency it would be a severe hardship and one not contemplated by the Subscribers to the Memorial of the 7th of April, 1838, to levy from the unfortunate Members of the Service who should be disabled from retiring in due course an unlimited excess of subscription beyond the value of the thing for which the subscription was made, especially as it is one of the Rules of the Fund that a Subscriber, a Civil Servant, cannot retire from the Institution. It will not escape the observation of the Honorable Court that there will be instances of Servants willing to retire after completing their prescribed period of service and residence, but unable to do so in consequence of the limit of available Annuities, and the effect of the favorable terms by which their predecessors have benefited. It will not be just to exact in these cases as penalty, the unlimited excess of their contributions beyond the value of the Annuity allowed.

Mr. Biscoe seconded this motion.”

Mr. Grant then moved—

“That Mr. Bushby's Amendment be not put by the Chair, because it enters into matter not adverted to by the Requisition under which this Meeting is assembled.”

Mr. H. M. Parker seconded this motion.

Mr. Pattle moved as an Amendment—

“That the consideration of the propositions for which this Meeting was assembled, be postponed pending an answer from the Honorable the Court of Directors to the Memorial of the Service of the 7th April 1838.”

This Amendment was seconded by Mr. T. R. Davidson.

PILOT NOTICE.

BENGAL.

ORDERS having lately been received from the Hon'ble the Court of Directors, that the old Station off Point Palmyras shall be resumed by the Pilot Vessels during the South West Monsoon—Notice is hereby given, that from the 15th of March to the 15th of September, Pilot Vessels will cruise, as formerly, during the Day off Point Palmyras in Latitude 20° 42' to 20° 48' N. with the Point bearing a W. to W. by S. and anchor usually during the Night in a line East and West of each other, when the Vessel having on board the first Turn Pilot, will burn a Blue Light and Maroon alternately every hour commencing with the former at Eight o'Clock, and continuing till Day Light.

Commanders of Vessels are hereby informed, that the former Light House on Point Palmyras has been undermined by the Sea, and is now in so ruinous a state that no dependence must be placed on seeing any part of it.

Commanders are further informed, that the new Light House at False Point stands in Latitude 20° 19' 25" N. and Longitude 86° 48' 8" rising 120 feet above high water mark, and being coloured dark red, or reddish brown, with a large white star in the centre. The Building may be seen in clear weather by Day, and the Light (formed of Argand Lamps with reflectors) by Night, from 18 to 20 miles, at a height of 12 or 15 feet from the level of the Sea.

Commanders are recommended not to come under eight fathoms at the lowest for the purpose of making the Light House or Light at False Point, and, having made it to deepen their water again, say from 13 to 18 fathoms according to circumstances on steering to the North Eastward for the purpose of getting a Pilot off Point Palmyras. They are also recommended, whenever the weather assumes a threatening appearance and the wind inclines to the Eastward, to keep a still larger offing, particularly late in the season, as they may expect the Pilot Vessels to do the same, and that the latter will then be found nearer the Tails of the Reefs than Point Palmyras.

From the 15th September to the 15th March, the Pilot Vessels will cruise as before, between Sauror Sand and the Western Sea Reefs, according to the old Regulations.

Master Attendant.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

**FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 20TH APRIL, 1840.**

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 20th of April, 1840, is hereby promulgated for general information.

ACT No. IX. OF 1840.

An Act for amending the law administered in Her Majesty's Courts of Justice with reference to Arbitrations, Damages, and interested Witnesses.

I. Whereas it is expedient to extend to the Territories of the East India Company certain provisions of the Statute 3d and 4th William IV. Chap. 42 whereby remedies have been applied for the uncertainty and imperfections heretofore incident to Arbitrations, for the insufficient damages to which injured parties were limited by the technical forms of certain actions, and for the obstruction to justice frequently occasioned by reason of the legal incompetency of witnesses to give evidence in consequence of having some interest in the event of the suit to which their testimony relates;

It is hereby enacted, that, 3 and 4. W. 4. C. 42. in order to render the
Sec. 26. rejection of witnesses on the ground of interest less frequent, if any witness shall be objected to in any of Her Majesty's Courts of Justice as incompetent on the ground that the verdict or judgment in the action on which it shall be proposed to examine him would be admissible in evidence for or against him, such witness shall nevertheless be examined, but in that case a verdict or judgment in that action in favor of the party on whose behalf he shall have been examined shall not be admissible in evidence for him or any one

claiming under him, nor shall a verdict or judgment against the party on whose behalf he shall have been examined be admissible in evidence against him or any one claiming under him.

II. And it is hereby enacted, 3 and 4. W. 4. C. 42. that the Court on the trial of
Sec. 29. any issue, or on any inquiry of damages, in any suit before any of Her Majesty's Courts of Justice may, if it shall think fit, give damages in the nature of interest over and above the value of the Goods at the time of the conversion or seizure in all actions of trover or trespass de bonis asportatis and over and above the money recoverable in all actions on policies of assurance made after the passing of this Act.

III. And it is hereby enacted, 3 and 4. W. 4. C. 42. ed, that the power and authority of any arbitrator or umpire appointed by or in pursuance of any rule of Court, or Judge's order, or order of reference, in any action now brought or which shall be hereafter brought, or by or in pursuance of any submission to reference containing an agreement that such submission shall be made a rule of any of Her Majesty's Courts, shall not be revocable by any party to such reference without the leave of the Court by which such rule or order shall be made or which shall be mentioned in such submission, or by leave of a Judge, and the arbitrator or umpire shall and may, and is hereby required to proceed with the reference notwithstanding any such revocation, and to make such award, although the person making such revocation shall not afterwards attend the reference, and that the Court, or any Judge thereof may from time to time enlarge the term for any such arbitrator making his award.

IV. And it is hereby enacted, 3 and 4. W. 4. C. 42. that when any reference shall
Sec. 40. have been made by any such rule or order as aforesaid, or by any submission containing such agreement as aforesaid, it shall be lawful for the Court by which such rule or order shall be made, or which shall be mentioned in such agreement, or for any Judge by rule or order to be made for that purpose to command the attendance and examination of any person to be named, or the production of any documents to be mentioned in such rule or order, and the disobedience to any such rule or order shall be deemed a contempt of Court, if, in addition to the service of such rule or order, an appointment of the time and place of attendance in obedience thereto, signed by one at least of the Arbitrators, or by the Umpire, before whom the attendance is required, shall also be served either together with or after the service of such Rule or Order: Provided always that every person whose attendance shall be so required, shall be entitled to the like conduct money and payment of expences, and for loss of time as for and upon attendance at any trial: Provided also, that the application made to such Court or Judge for such Rule or Order shall set forth the place where such witness is residing at the time, or satisfy such Court or Judge that such person cannot be found: Provided also, that no person shall be compelled to produce under any such Rule or Order any writing or other document that he would not be compelled to produce at a trial, or to attend at more than two consecutive days to be named in such Order.

V. And it is hereby enacted, 3 and 4. W. 4. C. 42. ed, that when in any Rule or
Sec. 41. Order of reference, or in any submission to arbitration containing an agreement that the witnesses upon such reference shall be examined upon oath, it shall be lawful for the Arbitrators or Umpire, or any one Arbitrator, and he or they are hereby authorized and required to administer an oath to such witnesses, or to take their affirmation in cases where affirmation is allowed by law instead of oath, and if upon such oath or affirmation any person making the same shall wilfully and corruptly give any false evidence, every person so offending shall be deemed and taken to be guilty of perjury, and shall be prosecuted and punished accordingly.

VI. And it is hereby enacted, that this Act shall take effect in Calcutta from the day of its passing, and at Madras and Bombay after the expiration of thirty days from such day, and in the Straits Settlements after the expiration of sixty days from such day.

NOTIFICATION.

WITH reference to the notice of the undersigned, dated 27th ultimo, it is hereby further notified that from the 1st proximo, the mid-day despatch will be extended to the line of Trunk Road between Calcutta and Loodianah, from each of which places a Mail, for the other extreme end, will be despatched at noon. This despatch will include Letters, &c., for the several Stations noted in the margin. Letters from Calcutta intended for transmission by the noon despatch, for these Stations, must be delivered at this Office between the hours of 10 and 11½ A. M.

The 21st January, 1840.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 P. M. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.
Serampore	Patoolee	
Chandernagore	Cutwah	
Hooghly	Merai	
Noiserai	Berhampore	
Dighra	Jeagunge	
Santipore	Bogowangolah	
Nuddea	Jungypore	
Calnah	Khamrah	

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great encrease of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mail, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

PILOT NOTICE.

BENGAL.

ORDERS having lately been received from the Hon'ble the Court of Directors, that the old Station off Point Palmyras shall be resumed by the Pilot Vessels during the South West Monsoon—Notice is hereby given, that from the 15th of March to the 15th of September, Pilot Vessels will cruise, as formerly, during the Day off Point Palmyras in Latitude 20° 42' to 20° 46' N. with the Point bearing a W. to W. by S. and anchor usually during the Night in a line East and West of each other, when the Vessel having on board the first Turn Pilot, will burn a Blue Light and Maroon alternately every hour commencing with the former at Eight o'Clock, and continuing till Day Light.

Commanders of Vessels are hereby informed, that the former Light House on Point Palmyras has been undermined by the Sea, and is now in so ruinous a state that no dependence must be placed on seeing any part of it.

Commanders are further informed, that the new Light House at False Point stands in Latitude 20° 19' 25 N. and Longitude 86° 48' 8 rising 120 feet above high water mark, and being coloured dark red, or reddish brown, with a large white star in the centre. The Building may be seen in clear weather by Day, and the Light (formed of Argand Lamps with reflectors) by Night, from 18 to 20 miles, at a height of 12 or 15 feet from the level of the Sea.

Commanders are recommended not to come under eight fathoms at the lowest for the purpose of making the Light House or Light at False Point, and, having made it to deepen their water again, say from 13 to 18 fathoms according to circumstances on steering to the North Eastward for the purpose of getting a Pilot off Point Palmyras. They are also recommended, whenever the weather assumes a threatening appearance and the wind inclines to the Eastward, to keep a still larger offing, particularly late in the season, as they may expect the Pilot Vessels to do the same, and that the latter will then be found nearer the Tails of the Reefs than Point Palmyras.

From the 15th September to the 15th March, the Pilot Vessels will cruise as before, between Saugor Sand and the Western Sea Reefs, according to the old Regulations.
